Remove this plant from your property

If you have seen this plant growing within the shire:

Report it

**PLEASE CONTACT YOUR COUNCIL INVASIVE PLANTS OFFICER ON (02) 6655 7300
OR THE NSW DPI BIOSECURITY HELPLINE ON 1800 680 244**

Bellingen Shire is within the North Coast Exclusion Zone for *Erythrina crista-galli*. The plant or parts of the plant should not be traded, carried, grown or released into the environment. The plant should be eradicated from the land and the land kept free of the plant. Land managers mitigate the risk of the plant being introduced to their land. Council's Invasive Plants Team are ready to assist in identification and control.
