Guidelines

Community Event Sponsorship Fund Guidelines

The Community Event Sponsorship Fund (CESF) is part of a small community grants program that is delivered and administered by Bellingen Shire Council under *Section 356 of the NSW Local Government Act 1993*. The aim of the CESF is to support local community events that generate awareness of the Shire and highlight its [Community Vision 2035](#) of being 'Connected, Sustainable and Creative'.

Program objectives

- To support local events that align with Bellingen Shire's Community Vision 2035
- To raise awareness of the Bellingen Shire by targeting other areas and regions
- To promote and market the Bellingen Shire
- To encourage innovation and creativity
- To foster partnerships between community organisations

Funding limit

There are two funding rounds each financial year which are limited to Council's yearly budget allocation. Council will consider funding of up to \$5,000 for projects that demonstrate how they will deliver on the objectives outlined above. Council reserves the right to part-fund events and considers any funding request to be a contribution to the overall costs of the event.

General requirements

- Events must take place before 30 June 2023 (*Note: events that have already taken place will not be funded retrospectively*).
- Applicants can reapply each financial year. However, applicants will only be funded for a maximum of three consecutive years. After the third year, applicants must wait twelve months before applying again.
- Applicants must have appropriate public liability insurance to cover the timeframe in which the event will take place.
- Applicants must provide an event budget including quotes.
- Applicants must provide an event marketing and promotions plan to show how they will target areas outside the Bellingen Shire as per the *Program objectives*.

If a grant is awarded, the auspicing body must sign the funding agreement and is responsible for reporting and acquitting the grant within two months of the project being completed. All correspondence and monies will be directed to the auspicing body. It is recommended that the successful grant applicant enters into a written agreement with their nominated auspicing body that clearly outlines each party's responsibilities and liberties.

- Venue hire for the event
- Entertainment
- Private works

What are private works?

Private works are tasks undertaken by Council to support community projects. These works are generally not considered part of Council's core responsibility. However, in some cases, Council can assist with various aspects of a project. For example, pick up and disposal of additional bins. When applicants apply for private works to support a project, no money is exchanged. Nonetheless, the costs associated with Council undertaking the work must still be included in the application budget and will form part of the grant amount requested.

Ineligible event activities

- Prizes or competitions
- Activities that only benefit narrow organisational interests or political interests
- Costs towards purchases or services that have a commercial outcome

- Events that have already commenced or taken place (retrospective)
- Devolved funding (funding that is then passed on to another individual or group)

Support material

It is recommended that appropriate and relevant support material be submitted with applications to assist in the assessment. This might include evidence of similar projects previously undertaken by the organisation and letters of support. Quotes must be provided where possible.

Assessment process

Once your application has been deemed eligible, it will be assessed on merit and prioritised by an assessment panel. The assessment panel will then make recommendations to Bellingen Shire Council for funding to be approved. Council reserves the right to part-fund successful applications.

This process will be undertaken to ensure Bellingen Shire Council is acting in accordance with the public interest and ensure that public monies are used prudently and appropriately.
