The full list of **Weed Plants not to be sold in all or parts of NSW** can be found on the Department of Primary Industry (DPI) website:

<https://weeds.dpi.nsw.gov.au/WeedListPublics/CategoryResults?showImages=True&categoryId=12&pageTitle=Plants%20not%20to%20be%20sold%20in%20all%20or%20parts%20of%20NSW>

All plants are regulated with a **General Biosecurity Duty** to prevent, eliminate or minimise any biosecurity risk they may pose. Any person who deals with any plant, who knows (or ought to know) of any biosecurity risk, has a duty to ensure the risk is prevented, eliminated or minimised, so far as is reasonably practicable.

**NSW WeedWise** FREE App provides key information to help users reduce the impact of over 300 weeds in New South Wales
