A Gumbaynggirr Community Vision

Respect for the land and the original people of this country.

A place where the ancestors' way of holding country is recognised.

A place where there is respect for custodial people who carry this tradition today and for Elders and the children of the future.

A place where we all walk together, where we can all be here in harmony with the land and all life.

The land around here has a great capacity to do that, to heal... in a way that's not separating.

Council acknowledges the traditional custodians of the land, the Gumbaynggirr people, who have cared for this land since time immemorial. We pay our respects to their elders, past, present and emerging, and commit ourselves to a future with reconciliation and renewal at its heart.
