PRIVACY STATEMENT

Apart from petitions in relation to development applications, information provided to Council in a petition is protected by the Privacy and Personal Information Protection Act, 1998. This is embodied in Council's Privacy Statement and Management Plan which is available on Council's website or on request. Any questions concerning privacy or the use of personal information should be referred to Council's Privacy Contact Officer.

Details of persons signing a petition will generally only be used by Council to verify that the signatories qualify as having a direct interest in the Bellingen Shire Council Local Government Area.

Note where a petition is provided in response to planning proposals or development applications on public exhibition, any submission made (including personal information) may be made publicly available and may be included in Council's business paper and on its website. If a petitioner does not wish their details to be made publicly available they must provide Council with written reasons for this.
