

# TREE REMOVALS / PRUNING ATTACHMENT

## INFORMATION

Chapter 6 – Preservation of Trees & Vegetation in Urban Areas of Bellingen Shire Development Control Plan (DCP) 2017 provides information regarding applications for removal and pruning of trees. You should refer to this chapter before making an application. To apply to remove or prune a tree you need to complete the standard application form as well as this attachment. The DCP and application form are available at [www.bellingen.nsw.gov.au](http://www.bellingen.nsw.gov.au). If you are unsure or have any questions regarding your proposed works, please contact Council's Customer & Business Services Unit for general advice, or Council's Land Use Services team for specific advice.
