

**BELLINGEN SHIRE COUNCIL ENVIRONMENTAL LEVY COMMUNITY FUND  
PROJECT EVALUATION REPORT**

**Project Title**

**Grantee Name**

**Postal Address**

**Project Location**

**Funding Amount**

**Project Description**

(Please include the description in the funding application and funding agreement)

**How has the project contributed to any/all the following Environmental Levy Community Fund program objectives:**

- Meets Council-identified environmental and/or sustainability priority/ies as identified in BSC's Community Vision 2030
- Concentrated activities at a local level, across the LGA
- Maintain / protect existing environmental achievements/assets
- Develop programs or projects that build community capacity
- Contributes towards behavioural change outcomes
- Foster innovative and creative solutions that meet an identified environmental and/or sustainability need

**What are the outcomes of the project and how have you measured them?**

(Please provide details of the project's outcomes with reference to the outcomes listed in your application. Discuss your evaluation measures and any extra information which may convey the success of the project. Please include photos/press releases and any resources developed as part of the project)

**Please attach copies of**

- receipts for all purchases made with grant monies;
- any supporting documentation including media articles, before and after photographs etc
- examples of any other resources developed as part of the project

**For projects involving the protection of native vegetation and/or bush regeneration, please also report the following details if they are not included in the project measures.**

(These measures contribute to the regular State of Environment Report which is completed at the local, state and national scale.)

- Bush Regeneration area
- Length of temporary protective fencing installed
- Length of permanent protective fencing installed
- Number of hours of weed control
- Number of plant stock planted
- Vegetation Type (eg. riparian, rainforest, coastal)
- Number of volunteers involved
- Volunteer hours
